Things you may want to know about Trinity Farm and Summer Camp...

The Trinity Farm gang has been involved with riding and horses as students for over 20 years and as horse owners for 15 years. We moved to our 8.5 acres in August 2005 to fulfill a dream of owning our own place to raise, ride, train, and share the joy that our equine family has brought to us.

Safety is of utmost concern whenever involved with these large animals and all campers will be guided and supervised in proper behavior while around horses.

Children will have daily mounted lessons and will be required to wear a helmet, long pants and firm soled shoes. Proper safety around all of our farm animals will be stressed.

Our goal is to share our farm and have fun learning about and loving horses. Campers will need to bring a sack lunch and drinks for the day. Any questions please feel free to call.

The farm owner and supervising adult,

Mary Lynn Foster
